

The Return of Shekinah Glory ---Walking in God's Glory Fire

The Manifest Presence of God Among His People

Shekinah describes the visible and tangible manifestation of God's presence in the physical realm—when His glory transcends the spiritual realm and impacts the natural, allowing people to encounter the immediate activity and reality of God.

Throughout Scripture, God's manifest glory was often accompanied by fire and cloud. Fire, in particular, became one of the earliest and most continual biblical manifestations of His presence. His glory filled the Tabernacle and the Temple, and when His *Shekinah* glory was manifested, the earthly atmosphere encountered the reality of heaven.

At Pentecost, a profound transition took place. What appeared as tongues of fire rested upon the disciples, and they were filled with the Holy Spirit. The glory that had filled the Tabernacle of Moses and the Temple of Solomon now came upon God's people—the living temple of His Spirit.

The Return of Shekinah Glory explores this biblical revelation and equips believers to understand and experience the Holy Spirit's manifest presence and holy fire. The baptism of the Holy Spirit and fire prepares believers to become vessels who host and carry His *Shekinah* glory.
